

ENVIRONMENT AND COMMUNITY POLICY

We respect the environment and understand our obligations to carry out mining in a sustainable way, making efficient use of natural resources and having a positive impact on our surrounding communities.

OUR AIM

- Minimize our environmental impact
- Have a positive impact on our surrounding communities

We are committed to

- Complying with all laws and regulations
- Managing efficiently the resources under our stewardship including land and water
- Prevention of pollution and minimizing waste from our operations
- Undertaking initiatives in partnership with the surrounding communities focussing on health, education and sustainable business

We want to achieve a positive lasting impact
