

HEALTH AND SAFETY POLICY

Target Zero - Pantu Tulasakamana

Mining can be hazardous, Nothing is More Important than Safety.

OUR AIM

- A healthy workforce,
- Fatality free, and
- No lost time injuries

MANAGEMENT COMMITMENT

Management will provide and maintain:

- A safe working environment
- An effective Health and Safety Plan
- The right method, equipment and tools for every job
- Hazard identification and risk management processes

WORKFORCE COMMITMENT

Each worker has an obligation to:

- To stop work if it is unsafe
- Report all unsafe acts or hazards
- To follow procedures and management directions
- To use the required PPE
- Look after yourself and your workmates
