

OUR VISION:

To be the Best Copper Mine in Zambia

- Safe operations with no lost time injuries
- Sustained production above 40,000 tons of copper per year
- Best in class productivity and efficiency
- Production (C1) cash costs below half of all the world's copper mines

We will achieve our Vision by delivering our improvement plan, **Twimbe Umukuba**, on time and on budget

OUR VALUES:

Safety - Nothing is more important

People - Best people, doing quality work on time and on budget

Honesty - We work and act truthfully

Accountability - Responsible for all our actions

Care - For our people, the community and our country
